and shall expire on the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, at close of business on 26 September 2026 (unless

 - (ii) the higher of the price of the last independent trade and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out.

The authority conferred by this resolution shall expire on the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, at close of business on 26 September 2026 (unless previously revoked or varied by the Company in a general meeting), save that the Company may, before such expiry, enter into a contract to purchase ordinary shares which will or may be executed wholly or partly after the expiry of such authority.

EXPLANATORY NOTES

1. In the case of joint holders, the vote of the senior who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other registered holders of the share. For this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company.
2. In the case of an individual, the proxy form must be signed by the appointer or by his attorney duly authorised in writing. In the case of a corporation this proxy must be executed under its common seal or executed in the manner permitted by section 44 of the CA 2006 or under the hand of an officer or attorney duly authorised in writing. To be valid, a form of proxy (together with any power of attorney or other authority under which it is executed or a notarially certified or board approved copy of such power or other authority) must be completed in accordance with the notes on the enclosed form and should arrive at the Company's registrars, Equiniti, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA no later than 11.00 a.m. on 24 June 2025 or not less than 48 hours (excluding non-business days) before the time appointed for any adjourned AGM. Alternatively, a member may appoint a proxy online by going to www.shareview.co.uk and following the instructions provided. Members will need to create an online portfolio using their Shareholder Reference Number which can be found on the enclosed proxy form. Once logged in simply click "View" on the "My Investments" page, click on the link to vote and follow the on-screen instructions. Alternatively, if you have already registered with Equiniti's online portfolio service, Shareview, you can submit your Form of Proxy by logging in with your usual username and password. To be a valid proxy appointment, the member's electronic message confirming the details of the appointment completed in accordance with those instructions must be transmitted so as to be received by the same time and date.
3. If a member appoints a proxy, the proxy will be entitled to vote on the shareholder's behalf at the AGM and at any adjournment of that meeting. The appointed proxy will use his/her discretion as to how to vote on any resolution which the shareholder has not given specific instructions and on any other business transacted at the meeting.
4. A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the AGM. In accordance with the provisions of the Companies Act 2006, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares.
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting to be held on 26 June 2025 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's Agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in this notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's Agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to a proxy appointed through CREST should be communicated to the appointee by other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6. If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11.00 a.m. on 24 June 2025 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.
7. Only those members entered on the register of members of the Company not later than the close of business (18.30) on 24 June 2025 (or, if the AGM is adjourned, members entered on the register of members of the Company not later than 48 hours before the time fixed for the adjourned AGM) shall be entitled to vote at the AGM in respect of the number of shares registered in their name at that time. Changes to the entries on the register of members of the Company after that time shall be disregarded in determining the rights of any person to vote at the AGM.
8. Copies of Directors' service contracts (or a memorandum of the terms thereof) are available upon request from the Company Secretary. Biographical details of each Director can be found in the annual report and accounts of the Company for the year ended 31 December 2024 and are set out on the Company's website at www.seascope-energy.com.
9. Resolution 11 (i) renews the Directors' authority to allot equity securities (as defined in section 560 of the CA 2006) up to 33.3% of the issued share capital of the Company.
10. Resolution 11 (ii) renews the Directors' authority to allot equity securities (as defined in section 560 of the CA 2006) only pursuant to a rights issue and following a rights issue all of the Directors shall submit themselves for re-election at the next annual general meeting of shareholders (in accordance with the Share Capital Management Guidelines of the Investment Association). The total authority is made up of 66.6% of the issued share capital.
11. Resolutions 12 and 13 empower the Directors to allot equity securities (as defined in section 560 of the CA 2006) for cash otherwise than in accordance with statutory pre-emption requirements. In line with institutional shareholder guidance, in particular the Pre-Emption Group's Statement of Principles, these resolutions allow the Directors to issue shares for cash either in connection with a rights issue or other pro rata offer, or otherwise up to a maximum of 10 per cent. of the Company's issued ordinary share capital together with an additional 10 per cent. of the Company's issued ordinary share capital, provided that the Directors confirm that they intend to use the additional 10 per cent. authority only in connection with an acquisition or specified capital investment. In each case, the resolutions also seek authority to disapply pre-emption rights for up to an additional 2 per cent (equivalent to 20% of the equity allotment, as stated in the resolution) which may be used only for the purposes of a "follow-on offer" to retail investors and existing shareholders (a "follow-on offer" having the meaning given to it in the Pre-Emption Group's Statement of Principles).

12. Resolution 14 seeks authority for the Company to make market purchases of ordinary shares, representing ten per cent. of the Company's current issued ordinary share capital. The resolution specifies the minimum and maximum prices which may be paid for any ordinary shares purchased under this authority. The Directors will only exercise the authority to purchase ordinary shares where they consider that such purchases will be in the best interests of shareholders generally. The Company may either cancel any shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them).
